WHO ARE OUR MEMBERS?

More than 1,100 active participants rely on CHSM to bring them expert opinions about healthcare in Colorado. Attendees participate in monthly events to stay informed and up-to-date on what's going on in Colorado and the healthcare industry as a whole. Sponsors are presented as thought partners and are frequently featured as panelists to showcase thought leadership and innovation on relevant topics.

Attendees by Job Type

Attendees by Organization Type

CHSM events attract thought leaders and executives from almost 300 different companies. While many leaders are healthcare focused, CHSM guests come from many different industries including communication and technology.

ABOUT CHSM

Colorado Healthcare Strategy & Management (CHSM) is the state's only nonprofit association serving all aspects of healthcare. CHSM provides a forum to give participants access to timely industry information, to foster discussion around complex problems, and to bring leaders together to exchange innovative ideas. Through educational and networking opportunities, CHSM helps develop and shine a spotlight on leaders with the knowledge and connections to advance the Colorado healthcare system.

For questions or more information sponsorships, contact us at sponsors@chsm.org.
